Conditions of Enrolment

1 Important

Please read these conditions carefully as they shall form part of the contract between the person responsible for the fees and Coventry FoundationCampus ('FoundationCampus'). It is important that you make sure that you have read and understood all of these conditions as you will be deemed to accept these conditions when you sign the application form.

2 Application

If you are successful in your application you will receive a joint offer letter from FoundationCampus and the collaborating institution outlining the proposed course of study and detailing the tuition fees and the deposit that will be required to guarantee your place at FoundationCampus.

3 Tuition fee deposit payment

To accept your offer you or your sponsor will be required to pay the indicated deposit and registration fee on your offer letter. This deposit will be set against the tuition fees of the final term of your programme, and shall constitute no less than the equivalent of one term's tuition fees.

Depending on your country of residence it might be in your interest to pay a higher deposit than the minimum amount stated on the offer letter. Please contact us if you are unsure about whether this applies to you.

Refunds on the deposit paid will be in accordance with the Refund Policy, as outlined in section 8.

4 Acceptance of your place

Once your minimum tuition fee deposit has been received by us you will receive a Certificate of Acceptance to Study or 'CAS Statement' from FoundationCampus if you require this document for the purpose of gaining a Tier 4 visa for study in the UK.

FoundationCampus reserves the right to levy a charge for the issuing of replacement CAS statements

5 Payment of fees

All fees will be payable in advance as determined by FoundationCampus. Fees are correct at time of publication. FoundationCampus reserves the right to vary tuition fees at any time and payment of each term's tuition fees will be subject to any increase in fees that may be announced during the programme of study.

All student accounts must be settled in advance of the commencement of that term's studies. You will not be permitted to commence or continue your course at the beginning of any term until all outstanding fees, charges or accounts are paid.

Any payments that are not made by the due date will incur a late payment penalty to be determined and communicated in advance of your programme of study by FoundationCampus. Should it be necessary for you to repeat a module you will be required to pay the full module fee.

6 Academic conditions of entry and continued enrolment

Students are admitted to FoundationCampus programmes on the basis of English language and academic ability and, in some cases, on the additional basis of experiential learning.

Any student found to have misled FoundationCampus as to their qualifications and suitability for entry will be subject to expulsion from FoundationCampus without recourse to refund of tuition fees already paid. Should an alternative programme be more suitable, a student may be counselled on to such a programme, however this may also require changes to their visa status which may need to be communicated to the UKBA.

Students are expected to attend all classes and lectures, and will be subject to assessment by means of coursework and other continuous assessment methods and by examination. In order to progress through the programme of study and to subsequent courses offered by the collaborating institution students are required to meet prescribed academic and English language standards.

7 Visa Compliance

It is your responsibility prior to enrolment at the college that you have and maintain the correct visa status demonstrated in your passport. The centre will check this every 12 months. On application to the centre you will be required to provide details of any previous visas received or refused for entry to the United Kingdom, together with information about the level and content of any prior studies undertaken in the UK, as this is an immigration requirement before we can sponsor any student.

Attendance is monitored in two ways, by overall percentage and by 'Contact Points' in accordance with UK Border Agency regulations. Students are required to maintain appropriate levels of attendance and may be expelled and/or reported to the UKBA should this fall below the required level.

FoundationCampus reserves the right to impose sanctions including, but not limited to, termination of the enrolment of any student whose standard of conduct is unsatisfactory. There will be no refund of tuition fees in cases of expulsion.

8 Refund policy

Acceptance of a FoundationCampus offer on payment of the minimum stated deposit constitutes a binding contract between the student and FoundationCampus.

Tuition fees are non-refundable except in the case of visa-refusal. Should a student be refused a visa, evidence of refusal and a written application to withdraw must be made available to FoundationCampus before any refund can be initiated. FoundationCampus will verify the authenticity of the evidence of visa refusal with the appropriate British overseas posting (Embassy/High Commission), and will charge an administration fee of £100 in the event of such a refund.

Tuition fees are non-refundable after the commencement of studies. Any notice to withdraw or cancel must be made in writing, if the cancellation is received before the start of term then the forthcoming terms tuition fees will be charged. If the cancellation is made after the start of term then both the current term and the following terms tuition fees will be charged.

Any students withdrawing from a FoundationCampus programme of study will be reported to the UK Border Agency and British Embassy/High Commission in their home country as a curtailment of their programme. Any student withdrawing will be required to provide documentary evidence of their return to their home country (eg visa stamp) or their sponsorship by a new educational establishment (eg CAS documents from new sponsor).

FoundationCampus reserves the right to withdraw a previously available programme of study at its own discretion. Where a student is unable to enrol in a similar course at FoundationCampus and the enrolment is cancelled then all fees will be refunded.

9 Cause for concern

Should we have reason to be concerned for the health, welfare, finance or academic progress of any student, whether under or over 18, FoundationCampus reserves the right to involve parents, agents or appropriate professionals to offer support.

10 Deferment

Holders of a FoundationCampus offer may, by way of written request to FoundationCampus, defer commencement of their programme of study up to a maximum of one academic year. Any fees held by FoundationCampus will be held without penalty, for use against subsequent courses of study. Should the FoundationCampus offer holder subsequently withdraw, any fees held will be non-refundable.

Any students holding a CAS and wishing to defer will have this information communicated to UKBA
